Frank Mann was before Judge O'Brien on Friday, in the Third District court, the case having been previously postponed. The accused left Westerly November 12, with his wife and two children of Antonio Capaccio, taking two of his own children and abandoning his wife and two other children, and it is alleged, embezzled money handed him to deposit in a bank. He was trailed to Los Angeles, back to New York, arrested there and brought back by the extradition route by Police Chief Brown.

There was no testimony taken Friday and, as final disposition of the case is not with this court, examination of the state was made by Town Solicitor Harry B. Agard, and for the defendant by Attorney John J. Dunn. Mann was adjudged guilty on the charge of abandonment of his wife and children, and was sentenced to two years in the state workhouse and to pay the costs.

When Mann was declared guilty of the charge of embezzlement and sentenced to pay the costs and serve one year in the Providence county jail.

On the charge of embezzlement of money out of state for an immoral purpose, Judge Williams found Mann probably guilty, and ordered him held for trial before the grand jury of the superior court for Washington county.

Mann took an appeal and renewed the bail of \$2500. The appeal was taken to the superior court. All the parties to the case are now in Westerly. Since Mann's return, Mrs. Mann has brought suit in damages against Mrs. Mann, on the charge of alienation of the affections of her husband.

Several Westerly young people attended the annual military ball of the Rhode Island State college at Kingston, Friday night, the biggest social event of the college year. The committee of arrangements consisted of Lieutenant Milton W. Gardner, Cadet Captain Vernon J. Wilbur, Cadet Captain Walter Moore, and Cadet Captain H. Tolman. Lieutenant Vinal Hedges, Lieutenant Frederick R. Rhodes, Lieutenant Peter J. Simon, Lieutenant Harold Kern and Major A. Garden Adams.

Miss Hilda L. Olsen, who conducted the drive in the New England district, in the public campaign of the Western American Baptist congress, announced that Rhode Island contributed \$393.10, or almost \$4000 in excess of the allotment. The fund will be used for the erection of a hospital in India. The New England district leads the nation in the campaign with a total of \$192,322.50, as its share of the total of \$2,000,000. The sum required was \$17,990. In addition \$10,000 from last year's New England's quota in the \$200,000 drive toward the fund. The Baptists of Westerly were generous in their contributions, giving
